Hey Jerald, all your friends, family, and coworkers miss you. We are working on getting background checks more thorough so that we can prevent something like this from ever happening again. Hopefully the number of people dying in mass shootings decreases over time.

## LIFE

Jerald Wright, 31, was among those killed at the Pulse nightclub shooting in Orlando. He was a dedicated employee of Disney World. Jerald's co-worker said that "he was a quiet guy who always had a smile on his face, and he was great with all of the guests." Jerald is missed by his friends, family, and co-workers, and will always have a special place in their hearts. Since this time, his mother Maria Wright has become a national advocate for gun reform legislation.

## AMENDMENT

In the name of Jerald Wright, background checks should be more thorough. If background checks were more thorough, then mentally unstable people would have less access to guns. This would greatly decrease the rate of mass shootings.

## STATISTIC

Another senseless death.
